S "Vidimo se kod Snežane!"
Svaki veliki grad ima svoje svetionike koji čuvaju njegovo svetlo, vatru i tajne. Vreme prolazi pored njih, a oni ostaju. "Snežana" tako čuva Beograd.

Ovo je mesto koje leži na pričama dugih vekova, brojnih naroda i civilizacija, nedaleko od ušća dve reke, a na raskršću dve najveće i najstarije ulice grada. Za ovim stolovima još od 1958. godine počele su velike ljubavi, sklopljeni važni poslovi, nacrtane brojne skice, portreti, pejzaži... Ovde su, zagledani u tok zivota, ljudi i vremena, ispijali svoja omiljena pića mnogi stalni gosti, umetnici, advokati, trgovci, vraćajući se svakodnevno, za svoj omiljeni sto.

Nbrojeni turisti, prolaznici i porodice ovde su nasli odmor i uživanje, vraćajući se iz Saborne crkve, spremajući se za obilazak Kalemegdana, žureći kroz grad...

U svom miru kao i u neodoljivom metežu, "Snežana" istrajava u čuvanju tradicije, gastronomske kulture i gostoprimstva. Menja se, a ostaje ista. Picerija, restoran, poslastičarnica sa osobnim pečatom. Moderna i tradicionalna u isto vreme.

Decenijama je prvi ljubavni sastanak podrazumevao susret na ovom mestu.

Zato, kada vam neko kaže "Vidimo se kod Snežane", on misli "Vidimo se u Beogradu".

S "See you at Snezana's!"
Every big city has its lighthouses that keep its light, fire and secrets. Time passes by them, and they stay. That is how "Snezana" watches over Belgrade.

This is a place that lies on the stories of long centuries, numerous peoples and civilizations, not far from the confluence of two rivers, and at the crossroads of the two largest and oldest streets of the city. Great loves began at these tables since 1958, important deals were made, numerous sketches, portraits, landscapes were drawn here. Staring at the course of their life, at the people and the time, many regular guests, artists, lawyers, merchants drank their favorite drinks, returning daily, to their favorite table.

Countless tourists, passers-by and families have found rest and enjoyment here, returning from the Cathedral, getting ready to tour the Kalemegdan, rushing through the city...

In its peace as well as in an irresistible commotion, "Snežana" persists in preserving tradition, gastronomic culture and hospitality. It changes, but it stays the same. Pizzeria, restaurant, pastry shop with personal stamp. Modern and traditional at the same time.

For decades, a going on a date meant meeting at this place.

Therefore, when someone tells you "See you at Snezana's", he means "See you in Belgrade".
